Dear Parents,

We are writing to share some important news regarding the future of Hensall School. As you know, we have been consulting with all staff, parents and community members regarding our proposal to join the Pathfinder Multi Academy Trust.

Following the required consultation period, during which we received one feedback form, we proceeded with the due diligence process, which involved careful collaboration with Pathfinder to ensure this partnership was the right strategic match for our school community.

We subsequently convened a meeting of the governing body on Monday 24th November, to vote on this significant proposal. We are pleased to report that the decision was unanimous, with all governors voting in favour of joining the Trust.

Therefore, we can confirm that Hensall School will take the final step in this process and officially become a member of the Pathfinder Multi Academy Trust on January 1st, 2026. This marks an exciting prospect for all of us as we anticipate new opportunities that will support our continued drive for school improvement. We look forward to joining Pathfinder Trust while maintaining our identity as the fourth school within The White Rose Federation.

As we move into January, we will do so with Mrs Lindley as our Head of School, supported by the wider leadership team, and we are grateful for the stability this dedicated leadership will offer our school.

Thank you for your continued support as we embark on this exciting new chapter.

Yours sincerely,

Guy Bird

Chair of Governors
